Dear "Circle of Excellence" Honoree:

I am honored to inform you that Consolidated Fabrication and Constructors, Inc. has been selected as a member of the Colonial Pipeline "Circle of Excellence." This award is a testament to your company's commitment to safety and dedication to Colonial's high standard of safety excellence, as demonstrated by your 2019 safety performance.

Colonial Pipeline Company believes that "Zero is Possible". Successful safety performance can only be accomplished through working with our contractors toward a shared vision of zero incidents. The safety and health of our contractors is essential to the long-range success of our business; and most importantly, to protecting what matters most – our employees, contractors, sub-contractors, the public, and the environment.

Please share my gratitude and heartfelt congratulations with all members of your organization, along with our encouragement to keep up the safe work.

Thank you, Consolidated Fabrication and Constructors, Inc., for your commitment to our safety philosophy and for demonstrating that, indeed, "Zero Is Possible!"

Sincerely,

Joseph A. Blount Jr.
President and Chief Executive Officer
